

Summerside School Council

Parent Newsletter - Stay up to date!

October Meeting Highlights

At the Summerside School Council meeting we discussed:

- starting a multi-faith prayer space for students
- ordering utility balls for more four square fun
- using social media to connect our parents and students
- finding funds and ways to upgrade our school outdoor spaces

Meeting minutes and agenda are on [Summerside Public School Council website](#)

Student Council Updates

Summerside Student Council consists of grade 7 & 8 students. Two students represented the group at the October School Council meeting and shared updates about Terry Fox fundraising (we doubled our goal!), student driven payer room at second nutrition, and fun ideas for recess activities.

COVID Updates

Take home testing kits are available to school students, staff and households who develop symptoms or are identified as high-risk contacts. Details by [Ottawa Public Health](#)

Summerside Gardening Club

This year Summerside School Council will be planting trees in our schoolyard! If you would like to help care for and enhance our school's outdoor spaces, email us at
